Official Memorandum

With reference to para 4(1) of Government order No. G. 9378-432/ P.P. 134-18-26, dated the 25th November 1918, a statement showing the requirements of rice and ragi of the several districts of the State during the next three months is communicated to the officers concerned. The figures given therein are approximate and it is possible that the requirements are in some cases, as for instance those of Shimoga over estimated. Nevertheless attempts should be made to adhere to the estimates as far as possible.

2. The statement also shows outside requirements and the Food Controller will arrange to deliver punctually these quantities to the Director of Civil Supplies for export to the respective destinations.
